

Explore Homework

Please return on Monday 5th September 2022

Our first Come and See topic in Class 2 is called 'Beginnings'. We will be exploring and thinking about all the different ways we can have a new beginning such as saying a prayer at the start of the day, starting a new class or club, learning something new, making new friends, or welcoming a new born baby.

For homework this week, I would like you to talk to your child about new beginnings and then ask them to draw, label and colour a variety of pictures which represent ways in which each day offers new beginnings or new beginnings that they have experienced. Please ensure that you fill the box. Thank you for your help and support, Miss Duong.
