

Explore Homework

Please return on Wednesday 28th September 2022

Our first Come and See topic in Class 3 is called 'Homes'. We will be exploring and thinking about all what makes a home, how we should act and treat each other in our homes, God's vision for every family and how we can use the Holy Family to help guide our actions.

For homework this week, I would like you to talk to your child about what makes a house a home, reflecting on the joys and sorrows of family and home life. I would like the children to draw a picture of their home and write about some of these joys and sorrows. This can either be in a list on each side of the house or written in a paragraph explaining them. Thank you for your help and support, Miss Gibbens.
