

Dear God,

Thank you for giving us strength  
to do our Forest Schools  
sessions.

Thank you for providing a place where we  
can learn more about the world you created  
for us to live in

Thank you for giving this time to pray and  
reflect on this wonderful session today

Thank you for letting us embrace our  
creative skills to share with others

Thank you for letting us connect with  
nature

Thank you for giving us the chance to enjoy  
ourselves outside

Thank you for creating the  
amazing world that we live in

Amen
