

Name:

<h1>Someone to Trust</h1>		<p>Mum, Dad, Michael and Annie were on holiday. They were in town buying a present for Mum's birthday. Oh dear! Michael got lost because he wasn't holding Dad's hand. Now he needs to find someone to trust. Here are some of the people he can see. Can you help him?</p>			
<p>Look closely at the pictures below. Fill in the chart with ticks and crosses for each person. Anyone who gets less than three ticks might not be the best person for Michael to go to.</p>					
					
<p>Police officer 1</p>	<p>Shop Assistant 2</p>	<p>Parent and child 3</p>	<p>Skateboarder 4</p>	<p>Security Guard 5</p>	<p>Group of teenagers 6</p>

Is the person?	1	2	3	4	5	6	<p><b>Ena says:</b> If you go anywhere busy with your parents and friends, arrange a suitable place nearby where you can meet up if you get lost.</p>
