

Dear Parents and Carers

## **Proud Clouds**

Not all learning takes place in school so we have 'Proud Clouds' which parents can fill in to inform us about children's achievements outside school.

### **What can I write about?**

Examples of achievements you might like to tell us about include:

- Catching a ball five times in a row for the first time
- Learning how to ride a bike or play a new game
- Being brave with an injury
- Helping with chores at home
- Sounding out and reading words on food packaging or signs in the environment
- Getting dressed independently

### **How do I fill in a proud cloud?**

All we need is a sentence to explain briefly why you are pleased with your child, your child's name, your signature and the date.

Support your child to cut out the cloud and send the cloud back to the school with your child.

I look forward to hearing about all those little proud moments that happen at home!

Thank you for your support.

Mrs Khalil
