What was discussed?

Discussed the Environmental Review and discussed points where we have scored low points.

Children talked about the number of boxes that we are meeting and how we are making lots of progress with the Eco-Schools themes.

Went through the Environmental Review and where the gaps are in our school.

Discussed how we need to refresh our litter picking resources as lots of the litter pickers are broken – will follow up – speak to Mrs McNamara.

Talked about using the litter picking equipment during After-School Club as well as during break and lunch times.

Discussed Forest Schools and how Mrs Hudson covers lots of our ten topics of Eco-Schools.

Discussed the planting of the Willow trees with Mrs Hudson, Mr Pascoe and the Eco-Warriors donated by Miss Hornsby's as a leaving gift.

Next steps:

Review the Environmental Review and how to complete the objectives that the children have not ticked.

Look into replenishing the litter picking equipment – discuss with Mrs McNamara.

Discuss what else we can do in school to continue our Eco-work.

Discuss the Eco-display outside of Year 4 and how this needs to be changed/refreshed.

When and where is the next meeting?

Thursday 9th December 2021

Had to be rescheduled for Friday 28th January 2022 after Environmental Review completed.
