

Staying Safe online

Quiz

Read each question then circle or highlight the answer you think is correct. Tell your helper why that is the correct answer?

1. You join a website and it has lots of great games. You have to give your full name, address and phone number. What should you do?
 - A. Fill it in with fake details.
 - B. Fill it in with real details.
 - C. Don't fill it in and tell an adult you can trust.
2. When you are online, a page pops up saying 'You have won a prize!' What should you do?
 - A. Feel excited and click to see what you have won.
 - B. Click on it and tell all your friends about it.
 - C. Tell an adult you can trust.
3. Someone you've meet online asks which school you go to. What should you do?
 - A. Don't tell them but tell an adult you can trust.
 - B. Tell them because maybe they go to the same school.
 - C. Make up the name of a different school.
4. You took some funny photos of you and a friend then posted them online. The next day, at school, everyone is laughing about them and at your friend. What should you do?
 - A. Just say sorry to your friend.
 - B. Tell an adult you trust about what you did.
 - C. Just laugh with everybody else because they are funny.
5. Your best friend from swimming sends you a friend request. What do you do?
 - A. Accept it because you know them.
 - B. Ignore it.
 - C. Say 'No' and block them.
6. You are watching a video when something pops up that makes you scared or is rude. What do you do?
 - A. Tell an adult you can trust.
 - B. Click the 'X' and watch something else.
 - C. Ignore it and carry on watching.
