

Train to Teach Information Event

Interested in becoming a Teacher?

We currently have places available for Primary and Secondary School Direct Trainees, some of which can attract bursaries of up to £27,000

Teaching really is the best job in the world and we want to tell you all about it and how you can apply to train to teach with us.

Come and join NCITTP for a getting into teaching evening! Book your place here and we will send you a reminder email and link for the event.

Our event will include an introduction to our School Direct programme followed by bespoke sessions for Primary and Secondary routes.

We will provide advice on applying for teaching and the current interview process. There will be the opportunity to chat directly with our team and with current student teachers who are training in our partner schools. You will have experts on hand who will be available to answer your questions.

This event will take place remotely on Microsoft Teams
