

# Meeting Minutes

Time and date of the meeting:

Tuesday 19<sup>th</sup> April 2022

Eco-Committee members present:

All members and year groups present

Eco-Committee members not present:

N/A

What was discussed?

Reviewed the Environmental Review and how to complete the objectives that the children have not ticked. We are hitting most of this.

Look into replenishing the litter picking equipment – discuss with Mrs McNamara. This was followed up by the Eco-Warriors and Mrs McNamara. Lots of litter pickers and hi-viz jackets were ordered to enable all children to access these resources to pick up litter during their break times. These should be delivered soon.

Discussed what and when we can litter pick, what we would like classes to focus on during this weeks Earth Day. Need to speak to teachers and ensure that each class complete one Eco-Friendly activity. If the new litter pickers and hi-vizs arrive in time for Earth Day at the end of the week, the Eco-Warriors would like to pick litter just out school.

Possibly look at what we could do to keep our Green Flag status.

Next steps:

Follow-up on litter pickers and hi-viz jackets.

Litter pick outside school groups for Earth Day.

Ensure that an Eco-friendly activity is carried out if resources arrive before the end of the week.

Speak to Mrs Oates to see what Year 5 will learn about in Year 5 and if the Conservation display can be linked to Eco.

Speak to Mrs Hudson about what activities in Forest Schools are Eco-Friendly.

When and where is the next meeting?

Monday 6<sup>th</sup> June 2022
