

# Meeting Minutes

Time and date of the meeting:

Monday 30<sup>th</sup> January 2023

Eco-Committee members present:

All members and year groups present

Eco-Committee members not present:

N/A

What was discussed?

Introduced each member of the Eco-Team.

Reviewed last year's Environmental Review and talked through all ten Eco-Schools topics and what they meant.

Discussed what has been completed in the past, e.g. light saving posters which are now all put up in each room next to the light switch. What do you want to focus on?

Went through where to find the Eco-Tab on the school website and how as a Catholic school we do lots as Pope Francis dedicates a lot of time to Eco-Friendliness.

Discussed Prince William and David Attenborough and the Earth Shot.

Spoke about single-use plastic.

Discussed and asked them to think about if they would like to refresh the school on Eco-Schools once the building work is complete.

Next steps:

Complete the Environmental Review, assess and compare to last year's.

Ideas and targets to be completed this year.

Informed all members to come to the next meeting with some ideas. Review the Environmental Review and how to complete the objectives that the children have not ticked.

Look into replenishing the litter picking equipment – discuss with Mrs McNamara.

Discuss what else we can do in school to continue our Eco-work.

Discuss the Eco-display outside of Year 4 and

When and where is the next meeting?  
Monday 6<sup>th</sup> February 2023
