

# Year 1 Spellings

Week Beginning 9<sup>th</sup> January 2023

As we progress down the pyramid, the same words will keep appearing. This is so your child will grow in confidence by being able to recognise and apply the words in their work. Please support your child to learn these words. This can be done in lots of fun ways, using colourful pens, making a poster, on the computer and outside with chalk.

Each week 3 new words will be added to the list so that children have a growing bank of words they can consistently spell correctly.

Every Friday there will be a spelling test to check the children's progress.

Thank you for your support.
