## Class 3 Homework

**Please return homework on Wednesday 26<sup>th</sup> April**

This week we are starting our new Come and See topic - giving all.

We have read about the bravery that one particular man showed during the Zeebrugge disaster in 1987. Please read it through with your child and talk about what made him a hero.

You can choose which task you would like to do.

- a) Make a list of people who work in dangerous situations, at difficult tasks in unpleasant times, at unsocial hours. Say why you think people are brave and give themselves to help others and what we would do without them.
- b) Find out about someone else who has performed acts of bravery and say what impact they had on others.

Please ensure that your work is presented to the highest quality and be proud of your homework.

Thank you

Miss Gibbens
