# Our Mission Statement

## **Loved**

We love one another as Jesus taught us - our friends, our families and those who we may never meet.

## **Valued**

We value everyone - everyone is important; pupils, staff, parents, governors, and members of the community— no matter their race, religion ability or need. We try to live like Jesus taught us.

## **Challenged**

We challenge each other - not only with our learning but challenge each other to be more merciful to others, have a little more understanding of others' needs and challenge each other to be better people.

# Our Vision

At Holy Cross, we aim to develop a caring Catholic community based upon the life and example of Jesus Christ, which envelopes the life and lives of everyone and everything in our school. It is through Christ's message of love and forgiveness that the children, staff, both teachers and ancillary, parents and governors, preserve the essential Catholic ethos of the school.

The school aims to provide a challenging curriculum that reflects our philosophy, broadly balanced and relevant, and to support the development of the whole child to his/her full potential. At Holy Cross, everybody matters, therefore we encourage all to show respect to each other and the environment.
