

As you will see, most of them are Common Exception Words (CEW) but there will be phonics linked spellings as well as topic ones. As we progress down the pyramid, the same words will keep appearing. This is so your child will grow in confidence by being able to recognise and apply the words in their work. Please support your child by using the CEW flash cards to help them learn their spellings. These, along with their spellings will be added to our class page under the spellings tab. Please feel free to print these, or if you do not have a printer, please let me know and I can print these for you. If you require any further information, help or support, please do not hesitate to contact me, Miss Duong.
