Trust Mission Statement

We are a partnership of Catholic schools and our aim is to provide the very best Catholic education for all in our community and so improve life chances through spiritual, academic and social development.

We will achieve this by:

- Placing the life and teachings of Jesus Christ at the centre of all that we do
- Following the example of Our Lady of Lourdes by nurturing everyone so that we can all make the most of our God given talents
 - Working together so that we can all achieve our full potential, deepen our faith and know that God loves us
- Being an example of healing, compassion and support for the most vulnerable in our society

Galatians 3:28

So there is no difference between Jews and Gentiles, between slaves and free people, between men and women; you are all one in union with Christ Jesus.

1 INTRODUCTION

This statement sets out the steps the Trust has taken, during the **financial year ending 31st August 2024** to address the risk of modern slavery within our business activities and the steps the Trust will take, to combat modern slavery and human trafficking to address the requirements of the Modern Slavery Act (2015),

The Trust works predominately with UK based suppliers and contractors whose employees are protected under UK employment law, although the Trust does not conduct business in countries where there is active human trafficking and / or modern slavery, the Trust is aware of the need to ensure that companies within our supply chain share our commitment to treat their employees in a fair and ethical way.

5 TRUST POLICIES

The Trust has the following policies which promote anti-slavery and human trafficking practices

- **Procurement Strategy/Policy/Financial Regulations** - Provides a framework of governance and steps to ensure all procurement activity is compliant to legislation and best practice including transparency of our supply base
- **Child Protection Policy and Safeguarding** - The aim is to provide a safe and secure environment for Children and provides a framework of our Schools to identify and support students who are at risk of modern slavery, trafficking or exploitation.

This legal requirement together with the Catholic values and principles that underpin the Our Lady of Lourdes Catholic Multi-Academy Trust mean that it is essential that the CMAT ensures not only compliance at local level but also assumes a strategic responsibility to ensure that safeguarding practices are robust and effective in safeguarding and protecting the welfare of all children and young people in its care.

All schools within the Trust have a Staff Designated Safeguarding Lead and Designated Safeguarding Governor. Safeguarding is reported on at every Local Governing Body meeting, every Directors' Audit & Risk committee meeting and every Executive Board meeting.

The Trust follows each local authority's safeguarding procedures set up by the Local Safeguarding Children Board (LSCB). Child Protection & Safeguarding policies are based on the Department for Education publication "Keeping Children Safe in Education" and all employees are required to read and understand this document as well as undertake annual Safeguarding refresher training.

- **Safer Recruitment and Selection Policy** - To ensure staff that are recruited to the Trust are subject to rigorous statutory checks. Where agency staff are used, only reputable agencies are allowed on our approved supplier base and are subject to mandatory due diligence checks.
- **Whistleblowing Policy** - This policy provides a mechanism for encouraging employees to report concerns about potential wrongdoings, including modern slavery risks, without fear of reprisals, victimisation or subsequent discrimination. It is intended to encourage and enable employees to raise serious concerns within the Trust. It is recognised that cases may have to proceed on a confidential basis.
